

**Munstercafé. As always good food and drink in the heart of Roermond.**

The Munstercafé. Known for its hospitality, its location at the always pleasant Munsterplein and of course for its delicious food and drink where the Munsterchurch in all its size looks down on the square with cozy terraces and ditto visitors. An old church as part of the Munster Abbey arose in the early thirteenth century with many scars acquired over the centuries.

The last was the earthquake in 1992 where the two choir towers were badly damaged.

Music as the appetizer of an exciting dish. During the summer days, various musical activities take place at the kiosk on the Munsterplein. A nice opportunity to come and enjoy the terrace during one of the summer days. Especially the Saturday and Sunday there are several bands that treat the visitors to often surprisingly beautiful music.

Located in the heart of the city on the beautiful Munsterplein, the Munstercafé is one of the most popular meeting places in Roermond. At all parts of the day, it is busy crowded both inside and outside with guests who enjoy a breakfast, lunch, dinner or just a nice cup of coffee during or after shopping in Roermond.
